

NEW PRODUCTS

AQC20

Innovative Technology

Fastest connection technology for conductors

- Push-in direct locking technology with operating lever
- Several clamping units can be held open simultaneously, simplifying the connection of multi-core cables
- Ensuring long-lasting reliable connections
- Tool-free, quick and safe wire connection with simple lever action

Electrical

Product Model	AQC20
Voltage Rating	250V
Current Rating	20A
Solid Wire	16-14 AWG
Stranded Wire	16-14 AWG
Withstanding Voltage	1.6KV
Wire Strip Length	9-10mm
